1. The Fathers House (Cory Asbury)

Key: B

2. My Testimony (Elevation Worship)

Key: B

3. Graves To Gardens (elevation worship)

Key: B

4. I Surrender Hillsong

Key: D

Song original in key of Dm (same as F) entered here from ultimate guitar in the key of C, if you capo 5 and play these chords you get to the original key of Dm. However, in Dm / Fmaj the the bridge goes too high for guys. dropping down a step and 1/2 to D maj seems like a good compromise.
