

# Great Is Thy Faithfulness

One Sonic Society

Key: C

**Verse 1:**        **C**                    **F**                    **G**                    **C**  
Great is Thy faithfulness O God my Father  
**F**                    **C/E**                    **Gsus**                    **G**  
There is no shadow of turning with Thee;  
**G**                    **C/E**  
Thou changest not,  
                  **C**                    **F**  
Thy compassions, they fail not  
**F**                    **C**                    **G**                    **C**  
As Thou hast been Thou forever will be

**Verse 2:**        **C**                    **F**                    **G**                    **C**  
Summer and winter and springtime and harvest  
**F**                    **C/E**                    **Gsus**                    **G**  
Sun moon and stars in their courses above  
**G**                    **C**                    **C**                    **F**  
Join with all nature in manifold witness  
**F**                    **C**                    **G**                    **C**  
To Thy great faithfulness mercy and love

**Chorus:**        **C**                    **C/E**  
Beginning to end - my life in Your hands  
**F**                    **Am**                    **G**  
Great, great is Your Faithfulness  
                  **C**                    **C/E**  
You never let go - This one thing I know  
**F**                    **Am**                    **G**  
Great, great is Your Faithfulness

**Verse 3:**        **C**                    **F**                    **G**                    **C**  
Pardon for sin and a peace that endureth  
**F**                    **C/E**                    **Gsus**                    **G**  
Thine own dear presence to cheer and to guide  
**G**                    **C**                    **C**                    **F**  
Strength for today and bright hope for tomorrow  
**F**                    **C/E**                    **G**                    **C**  
Blessings all mine with ten thousand beside

**Chorus 2x:**

**Ending:**
