                  Caring not my Lord was crucified  
                  Knowing not it was for me He died, At Calvary

VERSE2:       By God's Word at last my sin I learned  
                  Then I trembled at the law I'd spurned  
                  Till my guilty soul imploring turned To Calvary

CHORUS1:      There Your mercy and Your grace was free  
                  There Your pardon multiplied to me  
                  There my burdened soul found liberty  
                  At Calvary

VERSE3:      Now I've given Jesus everything  
                  Now I gladly own Him as my King  
                  Now my raptured soul can only sing, Of Calvary

                  There Your pardon multiplied to me

                  Oh the grace that brought it down to man  
                  Oh the mighty gulf that God did span, At Calvary
